The UK Government operates a scheme called Gift Aid that allows charities to claim the basic rate tax on every pound donated.

A £100 donation will equal £125 total with no extra cost to you.

Giving under Gift Aid means that so much more money can be raised.

For individuals, the Gift Aid rules require the completion of the Gift Aid Declaration Form*. This provides us with the minimum information required for us to be able to claim Gift Aid on a donation.

*Please see page two of this document. If this form is missing, it can be downloaded separately from our website: www.sistershospitallers.org/donate/make-a-one-off-donation/
