

Holy Child Health Centre

Belonging to the Takoradi Diocese, The Holy Child Health Centre at Fijai is a day centre for the mentally ill, providing for children with learning difficulties and special needs.

Up to the end of 2000, this centre was managed by Sister Jane Chantal of the Holy Cross Congregation. When this Sister retired, Monsignor Martin Darko offered the centre to our Congregation and placed us in charge of it.

The numbers

Here are the figures showing the number of patients seen in the Holy Child Health Centre in 2015:

Health Centre

- **Outpatients:** 57,049
- **Laboratory:** 18,938
- **Births:** 276

Day Centre

- **Capacity:** 25
- **Total attendance:** 2.057

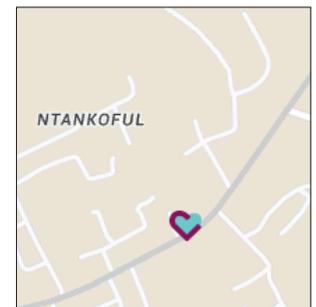

The location

Fijai is a village in the Western region of Ghana, 11 kilometres from the centre of Takoradi, the industrial and commercial centre with a population of almost half a million people.

The Holy Child Clinic

In 2008, the Congregation also took over the administration and Management of the Holy Child Clinic, which provides the following services:

- Outpatient Department
- Public Health
- Antenatal and postnatal services
- Outreach
